Guidelines for Placement on the Salary Schedule

- Teachers will be given up to ten years teaching experience for successful teaching in an accredited public or private elementary and/or secondary school system.
- Horizontal placement will be determined by graduate hours and degrees above the Bachelor's degree. All graduate hours and degrees must be approved prior to advancement on the salary schedule.
- Master's programs that require 45 or more graduate hours will be placed at the MS+16 column. An additional 16 graduate hours will move the individual to the MS +32 column.
- Teachers beginning employment with the district after the 2006-07 school year will be excluded from the shaded areas in the BS and BS+16 columns.
- Step level does not indicate years of experience.**
